**Surface Solution Company Gains Ground in Florida**  
*Coverings Etc Now Visible Presence in Palm Beach*

Miami, FL - Coverings ETC announced plans to expand the company's retail showrooms along the East Coast with the addition of a satellite space in Palm Beach, FL.

Opening this month, the 5,000 square foot facility is located at 518 NW 77th Street in Boca Raton, FL. It will accommodate the company's growing clientele in this area of Palm Beach and Martin Counties.

Connie Davalos, a veteran with Coverings Etc who manages the location, feels that the company's transition will be seamless. "We are filling a niche in the area. Coverings Etc specializes in sourcing out-of-the-ordinary, exciting materials for classic, contemporary and eco-friendly designs. We will continue to build upon our existing relationships and also plan to make many new ones."

The showroom will be open Monday through Friday 8 a.m. to 5:30 p.m. Buyers may contact Coverings Etc at 561-994-9100 in this location.

Coverings ETC markets and distributes unique and distinctive high quality hard surface design solutions. Founded in 1998, the company owns and operates showrooms in Miami, Palm Beach and New York. It also operates warehouses in both locations and runs a logistics center out of New Jersey to serve its US nationwide customers. Recognizing the importance of using sustainable design finish materials, Coverings ETC launched ECOVERings, a division solely dedicated to sourcing and marketing a collection of eco-friendly products. For more information on Coverings ETC or ECOVERings and its products, please call 305-757-6000 or visit our website [www.coveringsetc.com](http://www.coveringsetc.com).
