Excellence In Commercial Design

On behalf of the entire staff at *Interiors & Sources Magazine*, I am pleased to inform you that your company's product has been selected as an *Editors' Choice Product Pick* for the *2007 Interiors & Sources Directory & Source Guide*.

Selecting products for each relevant category proved to be a difficult decision process as we received many outstanding entries. I would like to formally thank you and your organization for taking the time and effort to submit product information for the Editors' Choice Product Picks. Serving as our November/December issue, this directory will also be posted online at www.interiorsandsources.com

I strongly encourage you to continue sending product information throughout the year and beyond as our subscribers have overwhelmingly indicated that the number one reason they read *Interiors & Sources* is to stay apprised of new products in the A&D market.

Congratulations and thank you again for your time and product submission.

Sincerely,

Jamie Nicpon
